Re: A Discussion on DECISION MAKING.

Good Morning! On Wednesday February 13, PIAS will be hosting a luncheon open to all members. The featured speaker will be Ralph Williams, MTSU.

As we explore what practices are vital in managing printing companies, we often focus on areas such as leadership, innovation, financial analysis, and quality orientation. **But what about decision making?** Applying an appropriate process to make decisions can help produce desired outcomes. At MTSU, I have taught decision making at both the undergraduate and graduate levels, the topic intrigues me, and I see major benefit for company leaders in some of the decision making concepts. We will discuss some of those concepts in this year's luncheons.

The location of the meeting will be PIAS Headquarters 305 Plus Park Blvd Nashville TN 37217. We will begin at Noon and go until 1:15PM. Lunch will be served.

The cost of the luncheon is \$15 per person to offset the lunch and handouts.

To register, please fill out this form and fax it back to Ed Chalifoux at PIAS 615-366-4192 or call Whitney 615-366-1094 Ext 217 with your attendance by February 6.
