Re: PIAS Louisville Membership Luncheon

Good Morning! On Wednesday March 6th, PIAS will be hosting a luncheon open to all members. Ralph Williams, MTSU will be the featured speaker.

As we explore what practices are vital in managing printing companies, we often focus on areas such as leadership, innovation, financial analysis, and quality orientation. **But what about decision making?** Applying an appropriate process to make decisions can help produce desired outcomes. At MTSU, I have taught decision making at both the undergraduate and graduate levels, the topic intrigues me, and I see major benefit for company leaders in some of the decision making concepts. We will discuss some of those concepts in this year's luncheons.

The location of the meeting will be:
Commonwealth Technology Offices
1920 Nelson Miller Parkway
Louisville, KY

The cost of the luncheon will be \$20 to pay for the food and, handouts. The Meeting will begin at Noon and will finish up around 1:15.

To register, please fill out this form and email it to echalifoux@pias.org or fax it back to Ed Chalifoux at PIAS 615 366 4192 or call Whitney 615-366-1094 Ext 217 with your attendance by February 28 to get food order in.
